

The background of the entire page is a dense, chaotic pattern of colorful splatters and thin, dark lines. The colors include red, yellow, green, blue, and brown, scattered across a light cream-colored base. The lines are thin and dark, crisscrossing the page in various directions, creating a sense of movement and energy.

60TH ANNIVERSARY

1926-1927

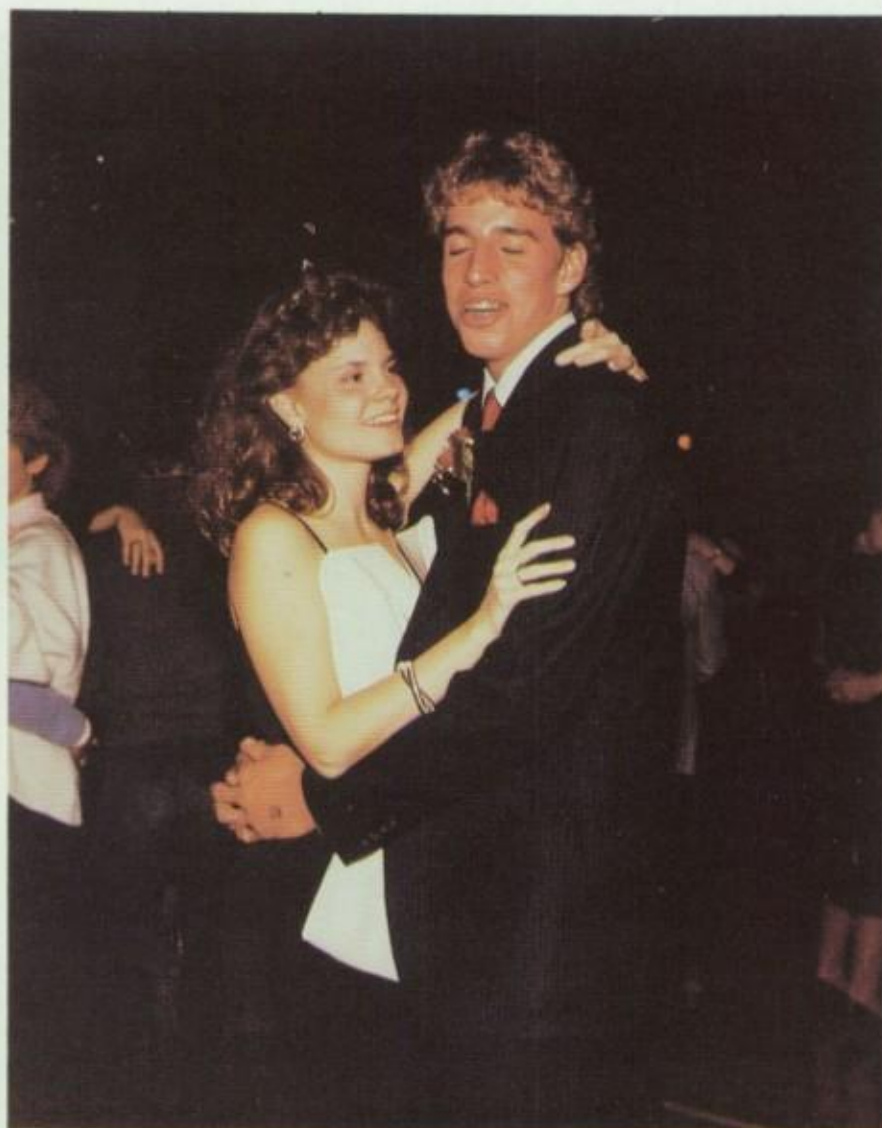

This year marks the 60th anniversary of Eaton High School. The school was completed by H.H. Heistand and William B. Ittner, architects, in 1927.

Looking back in time, the graduating class of 1927 had 25 students. Harry Hildebolt was the acting principal. Sixty years later, the graduating class of 1987 had 129 students in it. Mr. Darrell Durham presided as principal of Eaton High School.

Homecoming

During the week of October 6 thru 10, Eaton High School buzzed with excitement as students prepared for the 1986 Homecoming festivities. The theme this year was "Nursery Rhymes," and students decorated halls, performed skits, built floats, and painted windows accordingly. Finally, on Friday afternoon at the pep assembly, the Queen and her Court were announced.

Peer Counselors

In an attempt to prevent chemical use problems, the Project Charlie Program was instituted into the sixth grade curriculum last April, 1986. The objective of the program is to promote the social and emotional growth of children before they enter the drug experimenting years of adolescence. While many methods are used, the main focus of the program is in building positive self-esteem in students.

The uniqueness and success of this classroom program is primarily due to the Eaton High School students who prepare and teach each weekly lesson to the sixth graders. Each of the high school students was selected and specially trained as a peer counselor. These peer counselors conduct such activities as small discussions, showing films, doing activity sheets, role playing, art work and other things.

The peer counselors have observed much success in the program and hope that the sixth graders share at home what they learn from the Project Charlie lessons.

Language Club

The purpose of The Foreign Language Club is to enrich members understanding of the historical and cultural background of the peoples whose language they are studying.

Membership in the Foreign Language Club enables students to learn and enjoy the aspects of foreign culture that otherwise would be undeveloped due to the shortage of class time.

The main activity of the club is the awards banquet, held in the spring. Some other activities include observance of National Foreign Language Week in early March, sponsoring an after-game dance, and occasional guest speakers.

This years advisers to the club are Mr. H.L. Zimmermann and Mrs. H. Teufel.

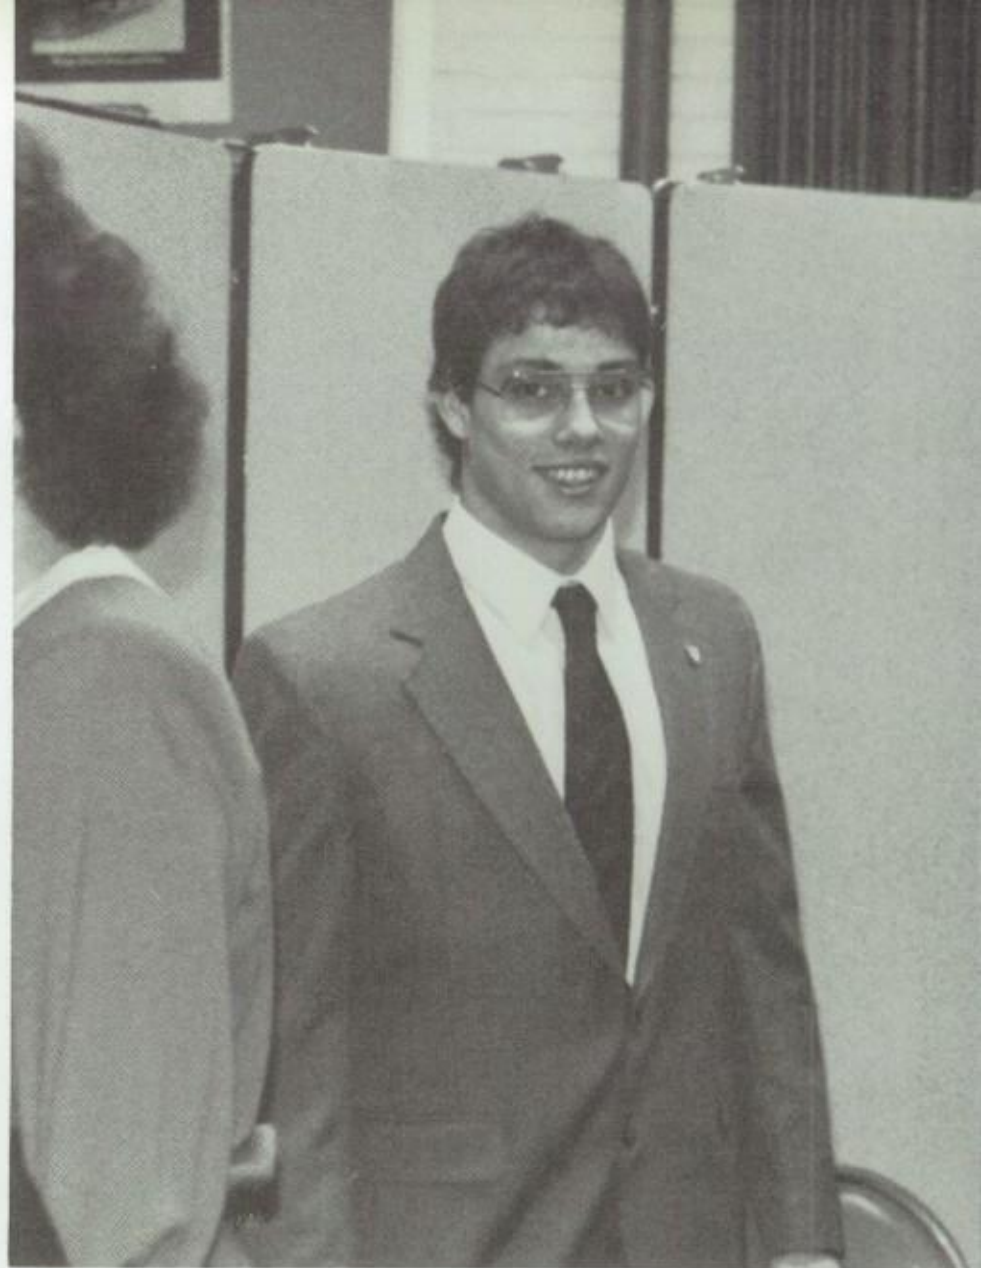

Mock Trial

MEMBERS: Amy Phelps, Robyn Owen, Missy Rader, Jenny Woods, Jim Bell, Jason Moore, Deron Smith, Scott Woodard.

National Honor Society

The National Honor Society is not an open club. It has selected membership based primarily on scholarship. The purpose of the club is to recognize superior scholarship, highest demands of service and leadership and superlative character. The students are expected to perform service tasks and projects while maintaining the highest scholastic achievements.

Programs scheduled periodically throughout the year include: Autumn Voices, Voices of Christmas, Spring Concert, Solo and Ensemble Contest and Large Group Contest.

Choir members also provide programs for various church and civic organizations throughout Eaton and Preble County.

Chess Club

The Chess team went to the Fairmont Team Tournament in November of 1986 and competed against thirty other teams. The team has had several individual competitions with other area schools.

Dr. Wright is the clubs adviser, with Lynard Wikle as the team captain. The other members are Steve Bland, Scott Englert, Gary Robertson, Eric Deeter and Kevin Rose.

Science Club

The 1986-87 Eaton High School Science Club has enjoyed a successful year. The club consists of EHS Sophomores, Juniors, or Seniors who are currently enrolled in a laboratory science class. The purpose of the EHS Science Club is to improve the members' knowledge of science through visitation to industrial science facilities, college research laboratories, visiting scientist programs and science project competition. In addition, the EHS Science Club wishes to provide activities for students with common interests.

The EHS Science Club has several interesting activities planned for 1987. Recently, the club visited Cincinnati Milacron, a world leader in manufacturing and service. Looking ahead, the Science Club has several options for upcoming field trips. Also, a "Science Olympiad" and the annual Science Fair look like promising subjects of interest.

Yearbook

"Where is a grease pencil?... Can I borrow that picture cropper?... This picture will not fit"... were common statements in the Resource Center during 5th period. Anyone could tell the pages of the yearbook were being produced. At the beginning of the year the staff worked hard selling ads to local businesses. During this time Michelle Clark and Kathy Roell were chosen as co-editors. In charge of groups and organizations were Tanya Payne, Amy Phelps and Denise Hamilton. The sports section was done by Ann Laycock, Aaron Cruze and Andy Avers. Working on the faculty section were Edie Hatmaker and Jim Bush. Richie Smith and Amy Manning completed the class sections. Everyone gained some photography experience.

Hi-Y's purpose is to create, maintain and extend throughout the home, school and community high standards of Christian character.

The Hi-Y platform is clean speech, clean sports, clean scholarship and clean living.

Any young man of the four upper grades in high school who subscribes to the stated purpose and lives up to that purpose is eligible for membership.

Some activities have included the first place float built for the Homecoming parade of 1986, ice skating at Miami University and church related activities.

Mrs. Emily Deacon is the Tri-Hi-Y adviser with Susan Brower as President, Tanya Payne as Vice President, Gina Hickman as Treasurer, Marilyn Whitesell as Secretary, D'Layne Morrow as Historian and Delana Hoover as Chaplain. During the year, the club built the press-box banner for Homecoming, went trick-or-treating for UNICEF, managed the annual Thanksgiving assembly and also gave a May Day party for the children from Headstart. They baked cookies and planned various activities along with providing crafts for the children. Throughout the year they had meetings and guest speakers were introduced to the members. At the end of the year they awarded a deserving senior with a scholarship.

Danger Zone

5

The 1986 Eagle Volleyball Team had yet another successful season. The Lady Eagles chose the "Danger Zone" as their theme for the season. This title fit well. The Varsity Volleyballers captured a 17-5 record for the season, placed third at the Eaton Invitational and received a second place trophy in the SWBL. The Reserve Volleyballers locked up a 15-4 record for the season and placed first in the Eaton Invitational. Both Varsity and Reserve Lady Eagles maintained a high spirit that lead them to many victories and a memorable season.

Running On

The 1986 Men's Cross Country ran to another great season. The Varsity members ran up a record of 122-30, placing second in the SWBL, third in Districts, and eleventh in Regionals. The Reserve members had a very respectable record of 100-19. A special highlight of the season for both Varsity and Reserve teams occurred when they each brought home a trophy from the Lexington Catholic Invitational. The mutual effort of all team runners helped make this season the success it was.

Soaring High

The 1986 Football season was a great success. The Fighting Eagles posted another winning record of 8-2, and accomplished a feat that was long overdue: All-SWBL Championship Trophy. The team members possessed a great amount of confidence on the field, led by the fourteen senior members. Through hard work and discipline the team overcame "sudden" changes in the season, and came out on top.

Eagle Roundball

The 1986-87 Varsity Men's Basketball season was one of great excitement and accomplishment. Although picked by league coaches to finish in a tie for sixth place, the Eagles surprised opponents and finished a strong second. The "never say die" Eagles were led by seniors Richie Helton, Rusty Cooper and Steve Woodard. The Eagles amassed a 12-10 record which included 6 wins and 3 losses in the very competitive SWBL. The future seems bright for Eaton Basketball as both the JV with a record of 4-6 and the freshmen with a record of 13-3 were both near the top in their divisions. Coaches McCutchan, McKinney and Johnson have appreciated the fine efforts of this years players and are already looking forward to next season with high expectations.

The 1986-87 Men's Reserve Basketball team had a very successful season this year. The Eagles accomplished an average of 48.20 points per game, 8 points above the average of their opponents. The combined efforts of all team members allowed the Eagles to gain the Southwestern Buckeye League Reserve Basketball Runner-Up and Preble County Reserve Basketball Runner-Up. The Eagles had a final record of 14-6.

Eaton Grapplers

This year's wrestling team led by Tri-Captains Andy Hickman, Chris Cruze and Rick Hall had tremendous success. Eight senior starters and a fine group of underclass surprises helped the team post its second consecutive League and District Championships. It has been a pleasure and privilege to have worked with such a fine group of intense, intelligent, inspiring young men. They leave a legacy of large shoes to fill and a challenge—can we do it three years in a row?

Dedication to the Dedicated

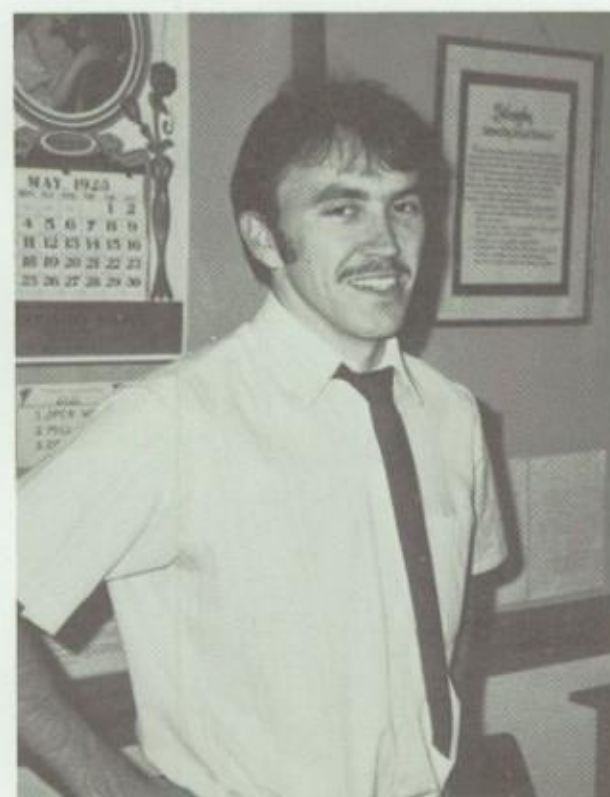

This year we had two teachers retire from the EHS faculty, Mr. Bonnell and Ms. Booker. Also, we had one secretary who retired, Mrs. Scott. Mr. James Bonnell taught the General Science classes and Ms. Booker taught the typing and business law classes. These people will be greatly missed and we wish them the best of luck in the future.

New Teachers Bring New Insights

Mr. McCutchan attended high school at St. John's Prep in Brooklyn, NY. He then went to college at Kentucky Wesleyan College where he received his BA and to Western Kentucky University where he received his Masters. He worked two years as Intramural Director of New York University. Also, Mr. McCutchan spent five years at Lebanon Junior High School and seven years at Talawanda High School. He also worked one year at North Ridgeville high school.

Mrs. Cluts attended Wayne Trace High School in Haviland, Ohio. After graduation she went to Bluffton College in Bluffton, Ohio. Before coming to Eaton, Mrs. Cluts taught at Logan-Hocking High School in Logan, Ohio. Besides teaching the Science classes, Mrs. Cluts also served as adviser of this years Yearbook Staff.

Mrs. Hill is our new secretary and is a 1974 graduate of Eaton High School. She worked for Nationwide Insurance for one year after that and then for Farm Bureau Insurance in Richmond for the next 1 1/2 years before starting here in January of this year.

Mr. Burnett attended Kyger Creek High School in Cheshire, Ohio which is a member of the Gallia County Local School District in southeast Ohio. Upon graduation, he attended Rio Grande College in Rio Grande, Ohio. This past fall, he was employed by the Gallia County Local Schools as a substitute teacher and as junior high football coach at his alma mater.

Mrs. Cluts,
You have been a great part of our **Senior** year! Thank you for helping put together a great yearbook!
Love, Yearbook Staff
P.S. **LOVE THOSE BUNS!#!**

Dear Amy,
It seems like only yesterday you were a tiny baby. As parents,
we taught you right from wrong and how to give of yourself.
We all grew and learned together.

Now you are graduating from high school. It is hard to
believe.

You have many plans and goals for the future. Some we agree
with. We only wish you the very best, with so much happiness
as we have always had.

Our love is with you and we'll miss you terribly when you're
on your own.

Follow your heart but listen to your mind.

With all our love always,
Mom and Dad

CONGRATULATIONS 1987 GRADS!

You've done well in high school...next comes college or business.

Use Your Time Well.

"The Money Machine For People On The Move!"

If you think your life has moved at the speed of a laser during your high school years, wait until you move into the college scene or business picture! You'll need every spare minute you can get. And your *future success* may well depend upon it! Now is the time to establish your basic banking plans. You can be sure we *want* your business at Preble County Bank. And we'll work hard to *keep you happy* with our services.

People who value *saving time* will love Preble County Bank's Tellerific® bank card. It gives you *instant access* to over 700 Money Station locations all over Ohio. And the Money Station Banking Machines are open *anytime* of the day or night, any day of the week, year 'round! Be sure and ask us about how you can get a Tellerific bank card from Preble County Bank. It's a time saver for *people on the move!*

Now you can gain experience, use your skills and earn money, too!

We understand your problem. You can't get a job without experience and you can't get experience without a job.

Manpower of Richmond offers an exciting solution . . . jobs, jobs, jobs! You can showcase your hidden talents or skills in a new job. We provide people who are 18 years or older opportunities for entry-level positions requiring no or limited experience. All represent a challenging opportunity to meet people, gain experience, learn new skills and earn money.

Free Training is Available

Manpower is not an employment agency. **We do not charge fees or require contracts.** When you work for Manpower, you are given assignments in businesses which temporarily have more work than workers. They must rely on productive people who are

motivated, have good work attitudes and are dependable. People like you.

At Manpower, we even offer free training. In our Richmond, Indiana office we offer instruction on the IBM System 36 Computer.

Assignments are Increasingly Challenging

With Manpower, as your work history and skills advance, you can get longer-term, more challenging and higher-paying assignments. Manpower is an excellent way to gain work experience and learn new skills.

Manpower is one of the world's largest employers, with over 700,000 employees in 35 countries. Your satisfactory work record is transferable to any of our 600 offices in the United States should you decide to relocate.

A Wide Diversity of Jobs

What kinds of job assignments do we offer? A wide range! We match job requirements with job skills. We need business grads with excellent typing and word processing skills. We also need workers for automated workstations, industrial or technical areas. Whatever your experience, we work hard to give you assignments which match your skills.

If you are looking for an exciting way to increase your skills, gain experience and earn money, call us for more information. Manpower may be your answer.
